PERSONAL INFORMATION

Name:	**JUHINAH BATOOL ASIF**
Date of Birth	May 13, 1995
Email	juhinah.batool@bic.edu.pk
Phone No.	0092-3336574667
Skype	Juhi.mughal
Address	House No F-19, FESCO Officer Colony, Canal Road, Abdullah-pur, Faisalabad, Pakistan.

ACADEMIC DETAILS

DEGREE / CERTIFICATE	PASSING YEAR	INSTITUTION	GRADES
Master (MS) In Computer Science	Continue	Government College University Faisalabad, Pakistan	3.5/4.0
Bachelor of Science (B.S.) in Computer Science	2016	Government College University Faisalabad, Pakistan	**3.85/4 82%**
Intermediate (F.S.c) in Pre-Engineering	2012	Government College (For Women) Medina Town, Pakistan	**1ˢᵗ Div.**
Secondary School Certificate (SSC)	2010	Rawalpindi Grammar School, Pakistan	**1ˢᵗ Div.**

Research Work

Title	Journal/Conference	Abstract
Integration of Requirement Engineering Challenges with Its Practices in ERP Systems	*International Journal of Computer & Organization Trends*	*This study focuses on the problems and solutions that are useful and insightful evaluated. Requirement Engineering of the standard model of the process of life, in spite of the high degree of implementation, I know very little about the problems that arise and I make the process work better. And besides, many of these specific issues and discuss ways to improve them. I have tried to categorize the types of challenges because of their similarities are connected. And again, I talked about many of these general issues and their application to do so.*

BS. FINAL YEAR PROJECT

Project Title	Brief Description
Aggression Exorcist	Aggression Exorcist is a Web based catharsis application. Aggression Exorcist is a Cognitive behavior therapy especially design for people who suffer from aggression and their aggressive behavior effect their daily routine of working. Aggression in people are of various reason and of different level as in this scenario people with the basic office aggression is the center of the study. The Therapy has expertise level on which user can examine himself. The therapy done by the phases as mediation (Calm Breathing), monitor the aggression of user and generate report. The system helps users to figure out the reason of their aggression by taking useful input from user. The system educates the user in Daily Routine and sleeping patterns and suggests useful advices to the user. System put lights towards the importance of healthy diet and exercises. User will be able to Review his improvement and report.

PROFESSIONAL EXPERIENCE

Organization	Period		Job Title	Responsibilities
	From	To		
Beaconhouse Internationa College	18th April 2022	-	Lecturer	- Mentoring and teaching courses of University of London - Research and development
Lyallpur Officers Academy	April 2020	March **2022**	Software Engineer	- Python Developer - Asp.net and Web Instructor - Project Supervisor - Project Management - Social Media Marketing
Govt Commerce College Faisalabad	Sep 2010	April 2020	Lecturer	- Teaching Programing Fundamentals and Software Engineering-1 course to Undergraduate Students of University - Mentoring Students - Organizing and Managing Computer Laboratory - Conducting Labs of BSCS and BSIT students. (C++, OOP) - Conduct Exams. - Design and develop College system. (asp.net,MVC,WCF, C#, SQl)

Govt. Municipal College Abdullah-purr Faisalabad	Nov 2018	Nov 2019	Lecturer	▪ Teaching Programing Fundamentals and Software Engineering-1 course to Undergraduate Students of University ▪ Mentoring Students ▪ Organizing and Managing Computer Laboratory ▪ Conducting Labs of BSCS and BSIT students. (C++, OOP) ▪ Conduct Exams. ▪ Design and develop College system.(asp.net,MVC,WCF, C#, SQl)
Step Up-IT Solution Provider (Company)	July 2018	-	Chef Technica lOfficer (CTO)	▪ Asp.net and Web Instructor ▪ Project Supervisor ▪ Project Management
Government College Women University Faisalabad (GCWUF)	-	-	External	Invited as External for Final Year Project Evolution of the project of BS Computer Science Students in department of Computer Science.
Selecto Solution (Company)	July 2017	July 2018	Lecturer & Software Develope r& SQA	▪ Web Instructor ▪ Design and development of projects based on asp.net(MVC, WCF, WPF, SQl) ▪ Software Quality Assurance
Government Post Graduate College Faisalabad, Pakistan.	Oct 2016	June 2017	Lecturer & Software Develope r	▪ Teaching Programing Fundamentals and Software Engineering-1 course to Undergraduate Students of University ▪ Mentoring Students ▪ Organizing and Managing Computer Laboratory ▪ Conducting Labs of BSCS and BSIT students. (C++, OOP) ▪ Conduct Exams. ▪ Design and develop College system.(asp.net,MVC,WCF, C#, SQl)
PASBAN IT GROUP	May 2016	Sep 2016	Instructor & Software Develope r	▪ Teaching Programing Fundamentals and Web (front-end) courses (to diverse Students) ▪ Mentoring Students ▪ Organizing and Managing Computer Laboratory ▪ Design and develop e-commerce websites andapplications. ▪ SEO to covers on line trading.

Sheer Serve, Company	Feb 2016	May 2016	Software Developer	- Software Development base on asp.net - Theme development - Quality Assurance

AWARDS AND ACHIEVEMENTS

Positions	Institutes.
Certification of Participation in International Poverty Reduction In China	Ministry of Commerce Peoples Republic of China 2021
1st Position in BSCS (Gold Medalist)	GCUF 2016
1st Position In "Project"	Creative Con 2013, GCUF
2nd Position In "Project", District Level	Punjab Youth Festival 2014

TECHNICAL CERTIFICATES /TRAINING

- Challenges of engineering management.

- Certificate of participation in "Punjab international it, science & technology expo & competitions, 2014".

- Certification of recognition as "head of workshops" in "technology fair 2013 & industrial expo".

- Certification of recognition as "participant" in "IEEE Technovate" held at "fast-nu Lahore"

- "Basic life support orientation" course "conducted by Punjab emergency service"

- Data communication with ipv4 & ipv6

TECHNICAL AND NON-TECHNICAL SKILLS

- C++, Objective-c, C, HTML, CSS, C#, SQLite, ASP.Net, Ado.net, MVC, MVVM, WCF, WPF, SQl , JS, JQuery, AJAX, XML, Angular JS, OPENGL.
- Front-End Framework (Semantic UI, Bootstrap , Uikit , Foundation)
- Database (MySQL, Oracle 11g)
- CMS (WordPress, Opencart)
- SEO and Blogging.

- Proficient in Microsoft Word, Excel, and PowerPoint
- Self-motivated, hard worker with excellent interpersonal skills
- Error Deduction and correction.
- Strong communication skills.
- Problem solver with the ability to work in a fast-paced environment

SUBJECTS STUDIED

- Operating System
- Database Management System
- Object Oriented Programing
- Human computer interaction
- Artificial Intelligence
- Machine Learning
- Discrete Mathematics
- Graphics
- Computer organization and assembly language.
- Theory of automata and formal language.
- Analysis of Algorithm
- Software Engineering
- Visual Programing
- Web Engineering
- Compiler Construction
- Digital Logic and design
- Networking
- Numerical Computing
- Computer Architecture
- Text Mining
- Advance Research Methods
- Parallel and Distributed Computing

COMPLETED PROJECTS AND ASSIGNMENTS

- Sapphires World an Ecommerce System (Asp.net)
- Foods Login, StepUp (Project Lead)
- Aggression Exorcist (asp.net)
- Children Clinic Management system (Ado.net)
- College Management system, Kingston College Faisalabad (asp.net)
- Commission Utility, Selecto (asp.net, WCF)
- Call Center Utlitiy, Selecto Solution(asp.net, WCF)
- Blood donation Website, Semester Project(.net)
- DATA BASE OF EDUCATOR SCHOOL, Semester project (Oracle)
- Brick Game (C++, OPP, GRAPHICS)
